

Barnabas
Amber

Dear Friend,

Thank you for your continued prayers and support for our church planting and evangelism ministries in Pakistan and Bangladesh. Because of your prayers and support, our heavenly Father continues to use our team to share the gospel in hard-to-reach areas in Pakistan and Bangladesh. During this month, there has been a lot of flooding in Bangladesh and Pakistan. Several of our church plants have been affected by the flooding. Our team has been able to aid several villagers to escape their villages with some of their belongings. Many villagers are living on the side of the road, waiting for the flood water to dry. Many villagers lost everything in the flood. Because of your support and prayers, our team has been able to help some of these villagers and share the gospel with them.

Praise /

For two Muslim families who accepted Jesus as their savior in Tarbala village. They are regularly attending our church plant in Tarbala. Pastor Isacc has been meeting with these families on a regular basis to teach them the Word of God.

For God's provision for the hand water pumps in several rural villages in Sindh. Villagers in these villages had to walk an hour to get the water from a different village for their daily use. Because of your help, we have been able to dig water hand pump in their villages. They are thankful for God's provision for clean water in their village. As we bring clean water to their villages, we are able to share the gospel with them. God has used this ministry to bring unbelievers to salvation in Christ and to plant several churches in Sindh.

For God's safety for hundreds of believers that were affected by the flood. They were all able to leave their homes before the flood came.

For God's provision for the Bibles and hymn books for a small church plant in Balochistan (Province).

Pray

For God's protection for the evangelistic outreach in KPK (Province) on August 14th. Pastor Haroon will be leading the outreach. Please pray that our team will make meaningful connections as they try to share the gospel with unbelievers.

For God's provision for the motorcycles for Pastor Heera in Sindh, as he is having to travel to far- away places by walking or taking public transport. Most of the time he must walk an hour and a half before he can get from one place to another. A motorcycle will enable Brother Heera to commute from one place to another in a faster manner.
